Russ Barry  
President, VRBA

## Are you ready for 2025?

Hear from industry experts at VRBA's Annual Crystal Ball Housing Forecast on Wednesday, January 15 from 11:30 am to 2:00 pm at Gorge Vale Golf Club, 1005 Craigflower Road.

## Speakers include:

- Dirk Vanderwal, Chair, Victoria Real Estate Board
- Brendon Ogmundson, Chief Economist, British Columbia Real Estate Association
- Shiva Moshtari Doust, Lead Economist, Canada Mortgage and Housing Corporation
- Casey Edge, Executive Director, Victoria Residential Builders Association

They will offer their views to help contractors, realtors, designers, trades, and suppliers make important decisions for 2025.

In addition to local housing starts, sales and interest rates, the industry will hear about BC's economy, consumer confidence, and housing supply issues. This will include the progress of the BC government's legislation to address the missing-middle shortages (small multi-family such as townhomes, fourplexes).

The presentations will provide local, provincial and national data to help plan for a successful year.
