

Join VRBA During Annual Renewal

Norm Verbrugge
President, VRBA

Now is the time to join the Victoria Residential Builders Association during our annual membership renewal in July.

Our association's daily mission is to be effective, efficient and affordable for our members.

We are the builders' leading voice advocating housing affordability, consumer protection, education and professionalism.

VRBA provides:

- New home and renovation projects sent directly to our builders;
- Free education seminars offering CPD credits required for licensing;
- Free contracts for VRBA builders;
- Unmatched advocacy and support for builders challenged by rising costs and regulations;
- Housing's most successful awards program – the Annual CARE Awards celebrating Canada's leaders in sustainable West Coast design and construction. Visit careawards.ca

We represent the concerns of homebuyers and builders trying to achieve affordability in a market dominated by three levels of

government layering on new fees and regulations.

For example, the provincial housing report "Opening Doors" reveals revenue from amenity demands is an incentive for municipalities to keep housing density below appropriate levels.

This undermines proactive rezoning necessary for rising population growth and adds costs to new homes.

Your support helps inform the public about these unfair policies only serving government revenue, while discouraging housing affordability.

In addition, VRBA gives back to the community through fundraisers including the BC Children's Hospital, Habitat for Humanity, Goldstream Chums, Threshold Housing Society, CFAX Santa's Anonymous and T-C Christmas Fund.

Our membership fees are among the most competitive in the industry and our value is unmatched.

If you have been considering membership in an association, contact us at www.vrba.ca.

We would be pleased to discuss the advantages.
