

# JOIN VRBA IN THE NEW YEAR

Ellie Sercombe  
President, VRBA

If you are considering membership in an industry association in the New Year, consider the Victoria Residential Builders Association.

Our daily mission is to be effective, efficient, and affordable for our members.

We are the builders' leading voice advocating housing affordability, consumer protection, education and professionalism.

## VRBA provides:

- Renovation and new home projects sent directly to our builders;
- Free education seminars offering CPD credits required for licensing;
- Free contracts for VRBA builders;
- Incomparable advocacy and support for builders challenged by rising costs and regulations;
- Housing's most successful awards program – the Annual CARE Awards celebrating Canada's leaders in sustainable West Coast design and construction. Visit [careawards.ca](https://careawards.ca)

Our events include the Annual Crystal Ball Housing Forecast on Monday, January 16 at the Hotel Grand Pacific. Plan your business for 2023 by registering to attend at <https://www.vrba.ca/events/crystal-ball-housing-forecast/>

Also, VRBA gives back to the community through fundraisers including the BC Children's Hospital, Goldstream Chums, Threshold Housing Society, Habitat for Humanity, CFA Santa's Anonymous and T-C Christmas Fund.

Our fees are among the most competitive in the industry and our value is unmatched.
