

Prepare for 2022 at Crystal Ball Housing Forecast

Are you ready for 2022?

Our Annual Crystal Ball Housing Forecast is a free webinar for members of the Victoria Residential Builders Association and Victoria Real Estate Board. The webinar is Wednesday, January 19 from 11:45 am to 1:15 pm.

Expert speakers include:

- Karen Dinnie-Smyth, President-Elect, Victoria Real Estate Board
- Brendon Ogmundson, Chief Economist, British Columbia Real Estate Association
- Pershing Sun, Senior Analyst, CMHC

They will offer their views to help builders, realtors, designers, trades, and suppliers make important decisions for 2022.

In addition to local housing starts, sales and interest rates, the industry will hear about BC's economy and consumer confidence.

The housing market has performed very well during the pandemic - will that continue in 2022?

The presentations will provide local, provincial and national data to help plan for a successful year.

Attend VRBA's Crystal Ball Housing Forecast on January 19 and hear from the experts.
