

Prepare for 2024 at Crystal Ball Housing Forecast

Are you ready for 2024?

Hear from industry experts at VRBA's Annual Crystal Ball Housing Forecast on Wednesday, January 17 from 11:30 am to 2:00 pm at the Royal Colwood Golf Club, 629 Goldstream Ave.

Speakers include:

- Laurie Lidstone, Chair, Victoria Real Estate Board
- Brendon Ogmundson, Chief Economist, British Columbia Real Estate Association
- Braden Batch, Senior Analyst, Canada Mortgage and Housing
- Casey Edge, Executive Director, Victoria Residential Builders Association

They will offer their views to help contractors, realtors, designers, trades, and suppliers make important decisions for 2024.

In addition to local housing starts, sales and interest rates, the industry will hear about BC's economy, consumer confidence, and housing supply issues. This will include the BC government's new legislation to address the missing-middle shortage (small multi-family such as townhomes, fourplexes).

The presentations will provide local, provincial and national data to help plan for a successful year.
