

'Tis the Season for Giving

Russ Barry
President, VRBA

In good and tough economic times, there are always those in need.

Many charitable organizations will be seeking donations to assist the disadvantaged in our community.

One such fundraiser is the Festival of Trees, for the BC Children's Hospital Foundation, helping children benefit from medical research and critical care equipment.

The event is held at The Bay Centre from November 15, 2024 to January 5, 2025

Members of the Victoria Residential Builders Association annually decorate a tree and step up with donations.

We always compete in the fundraising competitions and, with your support, achieved top honours on a number of occasions.

We hope you will again join us this year to raise funds for children in need.

Enjoy the true spirit of this holiday season by dropping by the Bay Centre, view the decorated trees, and contribute to the precious gift of health for children and their families.

VRBA also supports Habitat for Humanity, Threshold Housing Society, Goldstream Chums, CFA Santa's Anonymous, and Times Colonist Christmas Fund.

Habitat for Humanity-Victoria is holding their 16th Annual Gingerbread Showcase at the Hotel Grand Pacific from November 22, 2024 to January 5, 2025.

Drop by to see the outstanding creations by volunteer bakers and vote for your favourite!

Consider these important fundraisers and others during the holidays.

All of us face obstacles in our lives, but there is a time to put them aside and support those with greater challenges.

Now is that time and thank you.

Happy holidays!
